

## Minutes for the Quarterly Meeting held June 8, 2013

Present: Karl Frickelton, Cindy Finn, Kyle Cassel, Dan Schleiter, Jeff Thomm  
Absent: Tim Podlin, Mike Backus

Karl Frickelton, Chairman, called the meeting to order at 10:06 AM.

A motion was made and seconded to approve the minutes of the Meeting held on March 18, 2013. Motion was approved unanimously

Jeff Thomm was introduced.

The Lake Management Report and Advisory Group Report were given by Laura Shaw for Mike Backus.

Lake Water Quality: Readings are completed to measure the lake water quality

The first test was done on 5/26/13 and the reading was 14-15 feet. Last year 3 testes were done by that date. The clarity of the lake is lower this year thus far due to the rain fall and winds.

Lake Water Level Measurements: The water level is up from last fall but unable to measure how much yet. The water level is up 2.5 inches since 5/9/2013.

Temperatures: Surface Temperature: The temperature was measured at 62 degrees on 5/26/2013. It measured at 70 degrees this time last year.

Ice Summary: Ice on 12/22/2012 and Ice off was on 4/20/2013. There were 119 days of full "Ice Over".

Lake Vegetation is slow to develop due to the longer ice cover and cooler temperatures.

There will be more fish cribs installed this year.

A new sign will be made for the landing to include traffic direction of the lake and the wake hours.

Lake Management Plan: The lake management plan is recorded on the Adams county site. The JLRPD Website has a link to the Adams County site.

Karl reported on the Treatment for Eurasian Water Milfoil: The Lake was treated twice in 2012. The lake has not been treated this year as of yet but the lake will be treated accordingly. We will need to plan funding and treatment for the maintenance of the lake when the grant is completed. We are in the second year of the grant. Discussion of the lake treatment included raking to pull the weeds by divers, spot treatment with concentrated levels and entire lake application.

Dan Schleiter gave an update on the Treasurer's report.

Kyle Cassel reported on the County Lakes Association Meeting: The Adam County Lake Alliance meets to help pass along lake information and lake management. There are approximately 30 lakes represented. There was a meeting today. At the last meeting there was a discussion on the There is an event that will be held in October with booths and more information on this event will be provided at a later date.

Tim Podlin is in charge of the website. Please provide your email address to the contact list for updates. The meeting minutes and any updates are posted on the website. The meeting dates are also posted on the website.

Clean Boats/Clean Waters Program: Laura and Mark Shaw are coordinating the Clean Boats/Clean Waters Program. The Clean Boats/Clean Water Program is in need for volunteers to support this program. This program is very important for grant funding. Please consider volunteering to help this important program at the boat landing. Information on volunteering is also posted on the website. Laura reported on the Clean/Boats Clean Waters Program. There is a volunteer sign- up sheet at the meetings. Also if someone volunteers two times, they will receive a t-shirt. Please consider volunteering.

A motion was made and seconded to adjourn the meeting. Meeting was adjourned at 10:30am.

Respectfully submitted,  
Cindy Finn, Secretary
