- Motion to approve minutes. Backus approved / Cassel second
- 2019 Meeting dates chosen.

Mar 16

June 15

Aug 17

Oct 19

- Lake Management Report by Mike Backus

Last reading taken Sept 23

Level highest in recorded history using lake elevation measurement.

March thru Oct we had 24 inches of rain

Average water clarity reading down 4 ft since 2017

Much discussion about highwater lake effect and the current no-wake restriction.

County representative offered a name/resource of who will be able to help and advise on mitigation for shoreline erosion. The name is Chuck and his phone number is 608-339-4268. Homeowners are encouraged to contact his office to for help.

Bottom line seemed to be that it is a township decision with input from the Lake District Board. Homeowners with immediate issues are asked to contact Adams County for assistance and available options at the number provided above.

No wake ban will be evaluated in the spring.

- Milfoil Update

DNR did their own testing this year. They have the results but have not passed on the feedback. Several requests have been made with no response. Treatment plan for next year is dependent on that data.

- Treasurer Report by Dennis Flanagan

20K in account.

Will be an assessment made this year.

- The Board authorized Karl to apply for continuing grant funding
- Website Update by Tim Podlin
 - Work on the site progressing.
 - Number of views trending higher.
- Motion to Adjourn by Dennis Flanagan and second by Tim Podlin.
