

Jordan Lake Rehabilitation and Protection District Quarterly Meeting June 27, 2020

Attendee's:

Karl Frickleton

Dennis Flanagan

Jeff Thomm

Kyle Cassel

Mike Backus

Meeting called to order at 10:00.

Minutes for the March Quarterly Meeting approved. Flanagan motion and Thomm seconded.

There was general discussion at the start of the meeting concerning the Wake/No Wake ordinance. The point was again made that the ordinance and decision is made by Jackson Township and not the Lake District board. It was also noted that Jackson Township would be conducting a public hearing concerning this issue on Tuesday at the Jackson Town Hall. Other topics brought up were Drainage District and Fur Drive. The Chairman decision was to move forward with the published agenda and further discussion and conversation could continue after the meeting.
