

-fishery- Steve Fiorentino reports that the committee meeting was cancelled due to conflicts with members. Steve has reached out to DNR representative to schedule and get updates. The spring fish survey was not ready. The current focus has been on surveying surrounding lakes with similar committees and developing a potential sponsor list for fundraising.

- Lake "facts"-posted on website
- Lake Alliance Report-farmers (in general) did not draw down water table.
- Board discussion-no advancement in water pumping. The MOU was extended by 2 years.
- Adjourn at 10:40am-Steve F 1st and Mike B, 5-0 in favor

Respectfully submitted by Steve Fiorentino, Secretary JLRPD
